1956

Foreword

As we enter the year of our tenth anniversary we wish to express our sincere appreciation to our many customers who have favored us with orders throughout these years. We cherish your continued patronage as it is only by repeated orders that we know our plants are received with as much enthusiasm as we have in growing and selecting them. To you who will be ordering for the first time we extend a hearty welcome and hope that you will be among the many who agree that plants from Merry Gardens are the best you ever had.

Because we love growing all kinds of plants, we are particular about the quality of material we select and sell. We pack them carefully so that they will reach you in the best condition possible, whether it is within or beyond the borders of the U. S.

May 1956 bring you more and better success in the adventures of plant raising.

Ervin and Ellen Ross

MINIATURE GERANIUMS

New Carlton Dwarfs

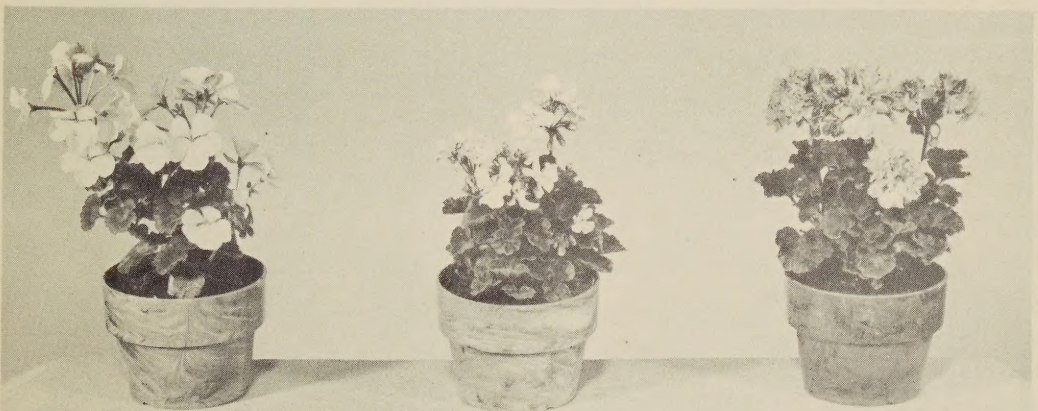

These are true miniatures, bred for vigor of growth as well as quality of blooms. We highly recommend them for those who are looking for a small blooming plant to grow in sunny windows.

Varieties with single blooms.

ANTARES - Bright scarlet blooms. Dark green foliage with darker zone.75
ALCYONE - Dark green foliage. Blooms a bright tangerine-pink of large size.75
ALDEBARAN - One of the most distinctive. Blooms in large clusters, vary in shades of pink, from bright pink to salmon with some orange tones. Foliage is very dark and small.	1.00
BROOKS BARNES - Very dark foliage. Extra large salmon-pink blooms. Choice.	2.00
EPSILON - One of our favorites. Extra large full rounded flowers are pink with white phlox eye. Foliage is a very light green. Robust dwarf growth but makes a larger sized plant than others in this group.	1.00
MILKY WAY - Dark green foliage. Flowers white with sometimes tint of pink.	1.00
POLARIS - Dark green foliage with darker ring. Blooms pink and white.	1.00
RED COMET - Dark foliage. Brilliant red blooms with white eye.75
SALMON COMET - Very dwarf and slow growing. Distinctive dark green foliage with outstanding dark ring and crimped edge. Flowers a beautiful shade of salmon, narrow tapering petals.	1.00
SCARLET O'HARA - Robust dark green foliage. Extra large clusters of brilliant red blooms.75
SIRUS - Very dark foliage. A slow growing real miniature with pink blooms shading to white center.75

Varieties with Double Blooms

ARCTURUS - Dark foliage. Vivid bright scarlet blooms in good sized clusters.	1.00
ALTAIR - Dark green foliage with darker ring. Blooms a lovely shade of rose-red.	1.00
CAPELLA - Leaves dark green with darker ring. Blooms deep pink.	1.00
KIFFA - Dark green foliage with darker ring. Blooms white with pink center.	1.00
MEROPE - Very dark foliage with the brightest of red blossoms. Very striking.	1.00
METEOR - Dark green foliage with darker ring. Brilliant red blooms.	1.00
JUPITER - Dark green leaves with darker ring. Lovely cherry-red blooms.	1.00
SHERATAN - Blooms an attractive shade of raspberry-rose. Dark foliage with dark ring.	1.00
SATURN - Large dark red blooms. Dark leaves with darker ring.	1.00
TALITHE - Blooms a lovely shade of soft salmon-orange. Foliage dark green with dark brown ring.	1.00
VENUS - Flesh pink blooms with dark foliage.	1.00

Pride

Venus

Merope

OTHER MINIATURE GERANIUMS

Goldilocks

COLLECTION - 5 varieties (our choice) in bud or bloom. 3.00

Ruby Jewel

Double Pink

Our Maine Variety

Calla Lily Begonias

Our collection of Calla Lily Begonias now includes seven varieties. Most of them are delicate and hard to ship, for that reason we cannot guarantee safe delivery of any except OUR MAINE VARIETY which we consider the best and strongest. We take special care in packing and selecting strong plants to give the best chance possible to arrive safely. It is fun to try different varieties. They are as follows:

OUR MAINE VARIETY - Strong growing, pink blooms. **WHITE FLOWERED VARIETY**, **RUBY JEWEL** - semi-double red. **PINK JEWEL** - semi - double pink, **LIGHT PINK** - single light pink flowers. **CALLA QUEEN** - large flowered single bright pink. **FULL DOUBLE PINK** - Large double pink flowers.

Price on all the above Calla Lily Begonias \$1.00 each.

COLLECTION - Three different varieties (our choice) \$2.50.

Green Leaved Wax Begonias

CHLOROPHYTUM elatum (Spider Plant) - Long green and white striped, lily-like foliage trails from central rosette. Sends out runners on which new plantlets grow.35
CISSUS adenopodus - Pubescent, three pointed bronzy leaf on trailing stems. Nice.	1.00
CISSUS antarctica (Kangaroo Vine) - Glossy, metallic green, notched leaf of medium size. Strong growing vine, that can stand abuse.50
CISSUS antarctica minima (Miniature Kangaroo Vine) - A small leaved form of the above.	1.00
CISSUS capensis (Evergreen Grape) - Medium grape-like leaf of rusty green. Large strong growing. Can stand abuse.75
CISSUS discolor - A beautiful vine with ovate leaves tinged white, pink, purple.	1.00
CISSUS rhombifolia (Grape Ivy) - Attractive easy-to-grow vine. Grape-like bronzy leaves.50
CISSUS henryana (Parthenocissus) - Divided leaflets marked with silver above, purple beneath. Loses foliage for short time in winter. Pretty vine at other seasons.50
CISSUS striata (Miniature Grape Ivy) - Small, five lobed, lacy, dark green leaves. Cute.50
COLUMNEA gloriosa - Lovely plush-like small brownish leaves. Bears large tubular red blooms in winter. Rare.	1.50
COLUMNEA scheideana - Small brown tinged, succulent leaves. Scarlet tubular flowers.	1.00
CYANOTIS somaliensis (Pussy Ears) - A small bright green, furry leaved vine, bearing small purple blooms.50
FICUS pumila (Creeping Fig) - Small leaves, wiry stemmed vine, which has nice trailing habit.50
FICUS pumila variegated - A choice variegated form of the above.	1.00

Episcia cupreata

Peristrophe augustifolia aureo
— *variegata*

FITTONIA argyroneura (Mosaic Plant) - Green and white netted foliage on low spreading plant. Very nice.50
HOYA bella (Miniature Wax Plant) - Lovely waxy white and pink blooms. Rare.	1.50
HOYA carnosa (Wax Plant) - Thick waxy green leaves. Lovely flesh colored blooms.75
HOYA carnosa variegated - Leaves green and white which tint rose in sun. Pretty vine.	1.00
MUEHLEMBECKIA complexa (Wire, Maiden-hair Vine, Necklace Vine) - An attractive fern-like vine, with small pearl-like fruit. Easy to grow.50
OPLISMENUS hirtellus (Ribbon Grass) - Colorful pink and white striped leaves on wiry trailing stems. A graceful fast growing vine.35
PELLONIA daveauana (Trailing Watermelon Begonia) - Bronzy olive-green small leaves with paler green center. Nice vine for warm shady windows.50
PERISTROPHE augustifolia aureo-variegata - Pretty gold and green leaved vine. Rose colored blooms. Easy to grow.50
PIPER ornatum - Waxy, heart-shaped dark green leaves, netted silver and pink. Choice.	1.50
PLECTRANTHUS (Prostrate Coleus) - Succulent foliage with pretty pattern of purple and green.50
PHILODENDRON cordatum (Parlor Ivy) - Common heart-leaved popular vine for sunless places.50
PHILODENDRON micans - Same as above, but with dark glittering maroon colored leaves.50
PHILODENDRON sodiroi - Silvered heart-leaf. Upright growth when young. Nice climber.75
RUELLIA Makoyana - Dark, white veined leaves. Pretty bright pink blooms. Easy to grow.35
SAXFRAGA sarmentosa (Strawberry Begonia) - Dark foliage with pretty pattern of light silvered veins. Little plantlets form on runners, which trail over pot. Easy to grow.35
SCINDAPSUS aureus (Golden Hunter's Robe) - Handsome green with gold streaked leaves.50
SCINDAPSUS Marble Queen - Leaves almost entirely white with streaks of green. Decorative.	.75
SCINDAPSUS pictus var. argyraeus - Silvery green leaves with silver markings. Different.	1.00
SENECIO mikanioides (German Ivy) - Fast growing green Ivy-like vine.35
SETCREASIA striata (Striped Inch Plant) - Green and white striped foliage plant.35
SETCREASIA pallida - Iridescent purple foliage in sheath-like trailing rosettes.	.50
STENOTAPHRUM secundatum variegatum (St. Augustine Grass variegated) - A striped grass that is very pretty as hanging plant. Easy to grow.35
TRADESCANTIA blوسفeldiana (Zebrina Purpusii) (The Flowering Inch Plant) - Velvet purple leaves. Lavender blooms. Strong, easy-to-grow.35
TRADESCANTIA reginae - A rare upright growing variety with lovely purple and silver striped leaves.	2.00

Ceropegia woodii

Cissus discolor

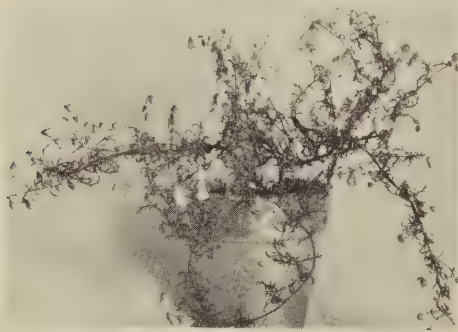

TRADESCANTIA fluminensis variegata and ZEBRINA pendula (Wandering Jew, Inch Plant) - Fast growing vines which come in many different types. The two Genus are very similar and at present we are unable to separate them. We have six different types as follows: Variegated cream and green , Silver red leaved , Giant red leaved , White and Green with pink tints we call Rainbow , Giant White and Green (new this year).35
New Tricolor - A highly colored pink, red, and white variety. Striking.	1.00
VINCA major - Trailing variegated vine used mostly for window boxes.50

Vines for Sunny Windows

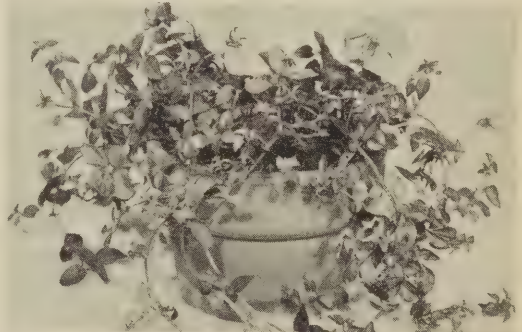

- CAMPANULA isophylla** (Star of Bethlehem, Italian Bell Flower, Falling Stars) - Prized for its large star-like flowers that bloom profusely from August to November. Makes a beautiful basket plant. Cultural directions included with each order. Blue or white.50
 August to November — large plants in full flower.1.00
- CAMPANULA fragilis** - A blue flowered variety with blooms similar to the above. Earlier flowering. Has cut leaf foliage, not as dense as that of above.50
- CAMPANULA hemaylis** (Double Flowered Blue Star of Bethlehem) - Full double blue flowers the same shade as the single varieties. Blooms in July, August and September.50
 Large plants ready to bloom can be shipped in June.1.50
- CHORIZEMA cordatum** (Australian Flame Pea or Flowering Oak) - Holly-like leaves on climbing shrubby plant. Colorful small blooms of orange red.1.00
- LOTUS berthelotti** (Winged Pea) - A lovely grey ferny vine for use in outdoor window boxes, glass house or garden. Not a house plant. Showy orange blooms in spring.50
- MAHERNIA verticillata** (Honey Bells) - Pretty fern-like foliage on trailing stems. Clusters of small golden bells which have the fragrance of Lily-of-the-Valley.50
- MANETTIA bicolor** (Brazilian Fire-Cracker) - Tubular scarlet flowers with yellow tips. Fast growing trailing stems. An extra fine free blooming plant.50
- PASSIFLORA grandiflora** - Beautiful pink, white with purple center, pond-lily-like flowers. Medium large Ivy-like foliage.1.00
- PASSIFLORA trifaciata** - Colorful rosy purple leaves. Inconspicuous yellow blooms. Choice.1.00
- PLUMBAGO capensis** - A shrubby vine with Phlox-like flowers of palest blue.1.00
- STREPTOSOLEN jamescni** (Orange Browallia) - Gay orange flowers in winter and spring.50
- SCHIZOCENTRON elegans** (Spanish shawl) - Small green leaves with red stems. Pretty wine colored blooms in spring and summer.50
- TRICHOSPORUM Lobbianum** - Purple tinged green thick leaves. Interesting scarlet flowers surrounded by purple calyx.50

Campanula isophylla

Mahernia verticillata

Schizocentron elegans

RARE PLANT COLLECTION - We will be glad to select for you a collection of rare plants from any of the following groups: Flowering vines for sunny windows. Flowering vines for Semi-shady windows. Choice foliage plants for shady windows. Choice flowering plants for Semi-shade or sunny windows. These will be selected from those priced at 50c or over, our choice. Six plants from any group. \$2.50

ADDITIONAL UNUSUAL PLANTS

AGLAONEMA modestum (Chinese Evergreen) - Shiny broad pointed foliage.	.75
AGLAONEMA commutatum - As above. Leaf marked with silver. Choice. . .	1.00
ALTERNANTHERA versicolor - Maroon foliage, blooms white like clover. . .	.50
ASPARAGUS sprengeri - Long fern-like sprays of loose green needles.50
ASPARAGUS plumosus - Climbing fern with fine fluffy needles. Nice to cut.	.50
COSTUS melacaulis - Whorl of dark green velvety leaves on short stems. Rare.	1.50
CALATHEA lindeniana - Broad deep green leaves with lighter markings and purple underside. Nice foliage plant.75
CEROPEGIA Thorncroftii - An odd looking vine with curious balloon-like flowers, white, blotched purple.50
COTYLEDON Barbeyi - Powdery grey succulent. Oval leaves on compact plant.	.50
CRYPTANTHUS terminalis (Pineapple Plant) - Stiff narrow gracefully arched foliage of a dull green color. Easy to grow. Likes shade.75
DRACAENA terminalis E. Andre - Broad colorful copper-red leaves.	1.00
ECHEVERIA nodulosa - Grey-green leaves with red margins.50
FICUS repens pumila - Tiny creeping wire-like vine with green leaves.75
FITTONIA verschaaffelti - Low growing, colorful broad leaves, with rose-red veins. Likes shade, warmth and moisture.75
JACOBINIA coccinea - Satiny green leaves with dense spikes of orange blooms.	.50
MALPIGHIA coccigera (Miniature Holly) - Small shrubby plant with tiny holly-like, glossy, dark green leaves. Pretty starry white, pink tinted blooms. . .	1.00
MAMMILLARIA elongata (Golden Lace Cactus) - Clusters of lacy stems.50
MESEMBRYANTHEMUM barbatus (Pickle Plant) - Succulent leaves on trailing stems. Fluffy golden yellow flowers.35
MYRTUS communis compacta - A fine small leaved compact Swedish Myrtle.	.50
NEPHROLEPIS exaltata Verona (Lace Fern) - Very fine drooping lacy fronds.	1.50
OSMANTHUS illicifolius variegatus (Chinese Holly) - Variegated green and white holly-like plant. Easy culture. Choice.	1.00
PENTAS lanceolata - Fast growing free blooming umbles of pink or white.	.75
PITOSPORUM tobira variegated (Australian Laurel) - Variegated green and white rounded glossy leaves. Shrubby plant. Choice.	1.00
POLYSTICHUM coriaceum (Leather Leaf Fern) - Strong growing bushy glossy fern of medium size. Fronds rise from furry brown rhizomes.50
PHILODENDRON Rubens - One of the best of the large leaved climbing philodendrons with red stems and glossy tapering foliage.	1.00
RHOEO discolor (Moses in the Cradle) - Metallic green sword shaped leaves with purple underside. Easy to grow.50
RIVINA humilis (Bloodberry or Rouge Plant) - Bushy green leaved, medium plant. Small drooping clusters of white blooms and pretty red berries. . .	.50
SERISSA foetida variegated - Small leaved boxwood-like plant with cream colored margins.50
SELAGINELLA Martensii Watsoniana - Green and white fern-like foliage.	2.00
SAXIFRAGA sarmentosa tricolor - Beautiful white and pink foliage.	1.50
TETRANEMA mexicanum (Mexican Foxglove) - A cute rosette-like plant with small rose violet-like blooms in abundance at all times.50
VERONICA buxifolia - Compact small glossy green leaves like boxwood.50
TOLMIA menziesi (Piggy-back or Mother of Thousands) - Plantlets grow on leaves.35

FUCHSIAS

Baby Red & White - Free-blooming.	Magellanica variegated - Variegated foliage.
Giant Pink - Large double pink.	Mrs. Marshall - Single soft pink and white.
Jubilee - Double bright rose with white sepals. Good for hanging.	Single Pink and White - Nice weeping type.
Honeysuckle - Red leaves. Elongated orange-red bells.	Pride of Orion - Large double white and red.
Hollydale - Lovely lavender and red.	Sunray - Colorful foliage of pink, white and green. Blooms single, purple and red.
Little Beauty - Dwarf violet and red.	
Magellanica - The hardy Fuchsia. Also called "Little Jewel". Ferny foliage. Dainty red and purple blooms.	

Prices on the above Fuchsias 50c each.

Collection — Six different varieties, our choice \$2.50.

Kalanchoe tomentosum Opuntia turpinii Mammillaria prolifera species Cotyledon barbery

CACTI AND SUCCULENTS

Aeonium haworthii - Terminal rose-tinted gray-green rosettes.35
Aloe variegata (Partridge Breast) - Fleshy striped blue-green leaves.50
Cephalocereus senilis (Old Man Cactus) - Long gray haired curiosity.	1.00
Crassula argentea (Jade Plant) - Glossy succulent green leaves.35
Crassula argentea variegated - Green and white form of the above.35
Crassula echeveria - Gray-green rosettes. Reddish flowers.35
Crassula falcata (Sickle Plant) - Thick gray sickle-shaped leaves.50
Crassula perforata (String of Buttons) - Trailing. White flowers.35
Crassula schmidtii - Pointed red-tinted leaves. Dark pink blooms in fall.35
Drosanthemum speciosum - Blue-green leaves, coppery daisy-like blooms.35
Echeveria pulvinata (Plush Plant) - Plush covered succulent green rosettes.50
Epiphyllum (Orchid Cactus) - Brilliant bell-shaped blooms in spring.50
Epiphyllum (Pond Lily Cactus) - Large soft pink flowers.50
Euphorbia obesa - Dark and light green striped branchless globe. Unusual.	1.00
Euphorbia splendens (Crown of Thorns) - Green leaved thorny stems. Red blooms.50
Faucaria tigrina (Tiger Jaws) - Open toothed "jaws." Yellow flowers.50
Gasteria Hybrids (Bow Tie Plant) - Opposite fleshy leaves, spotted white.50
Haworthia chalwinii (The Aristocrat Plant) - Small spotted rosettes.50
Haworthia semi-margaritifera - White-spotted pointed leaved rosette.35
Hylocereus undatus (Night-blooming Cereus) - Large fragrant white blooms.50
Kalanchoe blossfeldiana var. (Tom Thumb) - Bright red blooms in winter.50
blossfeldiana yellow - Larger than above. Heads of golden-yellow flowers.50
Kalanchoe (Kitchingia) uniflora - Trailing. Bright green leaves, pink flowers. ..	.50
Kleinia radicans (Creeping Berries) - Trailing. Bronzy succulent leaves.35
Kleinia species (Blue Chalk Sticks) - Upright blue-gray pointed leaves.35
Kalanchoe tomentosum (Pussy Ears) - Upright plush green and brown leaves.50
Mammillaria prolifera species (Silver Cluster Cactus) - Whitish mounds produce red fruits which look like tiny candles.50
Mesembryanthemum - Trailing succulent foliage. Everblooming.	
multiradiatum (Sun Rose) - Rose-pink or pale pink daisy-like flowers.35
cordifolia (Baby Sun Rose) - Crimson daisy-like flowers.35
Opuntia turpinii (Paper Cactus) - Round with long flat papery spines.	1.00
Oscularia glaucum - Upright. Frosty leaves with pretty yellow flowers.35
Othonna crassifolia (Little Pickles) - Trailing. Yellow daisy-like flowers.35
Pedilanthus tithymaloides variegatus (Devil's Backbone) - Tri-color leaves.50
Pereskia godseffiana (Lemon-Vine)-Sport of P. aculeata. Bronzy, purplish leaves	1.00
Portulacaria afra variegated - Small green and white succulent.50
Rhipsalis cassutha (Mistletoe Cactus) - Pendant stems, mistletoe-like fruit.50
cereuscula (Coral Cactus) - Jointed stems in coral-like clusters.50
Sedum adolphi - Yellow-green succulent leaves, bushy growth.35
Sedum dasyphyllum - Forms pretty mat of blue-gray miniature rosettes.35
Sedum guatemalense (Christmas Cheer) - Tubular red-tinted succulent leaves. ..	.35
Sedum lineare - Trailing. Small needle-like fleshy leaves.35
Sedum morganianum (Burro Tail) - Pointed blue-green leaves on trailing stems.50
Senecio articulata (Sausage Crassula) - Thick jointed stems, yellow flowers.35
Stapelia asterias (Starfish-Flower) - Star-shaped purple-brown flowers.35
gigantea (Zulu Giants) - Largest flowered of this group.50
variegata (Toad Cactus) - Brown and yellow star-shaped flowers.35
Zygocactus truncatum (Christmas Cactus) - Beautiful pink blooms.50

Collection: 8 different (our selection from the above). .\$.250

IVIES (HEDERA)

Abundance - A new compact, ruffled leaf variety. Slow growing.35
Albany - Best standard variety for trailing. Medium leaved, good branching.35
Algerian (carnariensis) - Extra large glossy leaves. Good for climbing.50
Bunch - Non-trailing. Medium, slightly ruffled leaves. Choice.50
Buttercup - New leaves are golden yellow. Nice trailing variety.50
Canary Cream (caneriensis variegata) - Large leaved green and white. Nice for climbing.50
Chrysanna - A very good well branched, medium small leaved ivy. Slightly mottled white.35
Conglomerata erecta - Slow erect growing. Small, curled leaves grow close together.50
Curly Locks - Medium leaves curled and crested. Nice trailing type.35
Digitata - Viny. Small, five pointed, white veined leaves.35
Green Spear, Emerald Jewel, Pin Oak, Star - These four varieties are all different yet so similar it is hard to give them separate descriptions. They are all very small leaved, nice branching varieties. All strong growing fine types.35
Emerald Gem - Fast growing viny. Small heart-shaped leaves.35
English Ivy (Hedera helix) - Medium leaved hardy ivy. Widely used for pot and outdoor plantings.35
Fan (crenata) - Fan shaped, ruffled, light green, medium leaves. Bushy, slow trailing.35
Fleur - Pretty ruffled, deeply lobed leaves. Good trailing type.35
Fleur de lis - Small various shaped leaves. Bushy, non trailing.35
Garland - Glossy, pleated, medium leaves which overlap. New fine variety.50
Glymii - Small heart shaped leaves on fast growing, trailing vine.50
Glacier - The best small-leaved variegated green and white. Nice trailing variety.50
Gold Dust - Green and gold, mottled medium leaf. Strong branching, trailing type.35
Green Feather (meagheri) - Very small, feather-like leaves. Bushy, slow trailing.35
Lady Kay - Small lance-shaped leaves. A nice strong branching, trailing variety.35
Helvetica - Shield-like, medium, leaves with white veins. Choice.75
Jubilée - A very small leaved green and white. Dwarf, slow growing.75
Manda's Crested - Ruffled, deeply lobed, medium leaf. Nice trailing, choice variety.75
Marmorata - Mottled, green and white, small leaf. A hardy trailing type.50
Minima - Very tiny leaves. Bushy, trailing.50
Merion Beauty - A good small leaved branching type.50
My Heart - Large perfect heart-shaped leaf. Variety not yet identified.	1.00
Pedata - Small bird's foot shaped leaf with white veins. Fast trailing vine.35
Pixie - A dwarf compact ruffled leaf. Slow trailing. A fine variety.50
Sweetheart (deltoidea) - Small heart-shaped leaves. Slow growing, trailing.50
Sylvanian Beauty - Glossy pleated leaves. Compact bushy, slow trailing. Choice.75
Triloba - Small, lobed, white veined leaf. Fast trailing viny type.35
Ripples - Leaf curled and crested. Bushy, compact growth. Choice.75
Tecurl - Small, ruffled, deeply cut leaf. Compact, bushy. Extra nice.75
Walthamensis - Small, white veined leaf. Well branched trailing vine.35
Woodeana - Small star-shaped leaf. A pretty slow growing trailing type.75
Collection — 8 different Ivies, our choice, to include 2 variegated.	\$2.50

PLEASE READ BEFORE ORDERING

TERMS: Cash with order. Payment by check, money order or cash.
No C.O.D.

SHIPMENT: By Parcel Post if postage is included with your order.
Otherwise by Express Collect.

FOR POSTAGE, Special Handling and Packing, please add the following amount:

NEW ENGLAND STATES 20c for each one dollar of order.

OTHER STATES EAST OF THE MISSISSIPPI

and North of Tennessee 30c for each one dollar of order.

STATES WEST OF THE MISSISSIPPI

and South of Tennessee 40c for each one dollar of order.

PACIFIC COASTAL STATES, 50c for each one dollar of order.

ALL ORDERS OVER \$5.00 we will pay part of the postage, but due to increased postage rates we must ask you to add 10c for each one dollar of order. States West of Mississippi and far South please add 20c for each one dollar of order.

State of Maine orders, add 2% for sales tax.

AIR PARCEL POST is most satisfactory, but expensive. For extra long distances add 60c for each one dollar of order if this method is desired. **Minimum Air Order \$5.00.**

MINIMUM ORDER \$2.00. Postage extra.

Our plants are strong, healthy and expertly packed. They are guaranteed to reach you in good condition. Beyond that we cannot take responsibility for how they grow. Notice must be given within five days after receiving plants for adjustment in case of damage during transit.

Prices quoted are for the 2¼ - 2½ inch pot size plants.
